

Typing Club Schedule and Information

Typing Club happens everyday in the library from 8:25-8:40am. We do a rotating schedule for grades 3-5. This is the schedule for this week and the next several months. Please remind your students to come. Have them write their day(s) in their agenda and let them know that if they miss a day, it's OK for them to come on another day. We will not turn a student away, unless we run out of chromebooks.
