

Typing Club Schedule and Information 2019-2020

Typing Club happens every day in the library from 8:25-8:40am. This year we are doing a rotating schedule for grades 2 & 3. Grade 4 students will fill in on certain days every other week when they are scheduled to come in. This is the schedule for the next several months. Teachers, please remind your students to come. Have them write their day(s) in their agenda. Parents, please encourage your child(ren) to come to Typing Club on their designated days.
