

WALTHAM PUBLIC SCHOOLS

SY2021-2022 BUS ROUTES

Per Waltham School Committee policy, school bus transportation will be provided for students as follows:

- Grades K - 8: Students living more than one and one-half miles from school.
- Grades 9 - 12: Students living more than two miles from school.

Welcome to School Year 2021-2022!

School bus stops are based on safety and routes are created for maximum efficiency. Routes may change based on student enrollment and eligibility as enrollments vary each school year. Please check carefully, as some previously authorized bus stops have been changed or removed from routes. Please note that all Kindergarten, 1st grade and 2nd grade students must be accompanied by an adult at pick up and drop off times. If the bus driver does not see an adult at the drop off location, the student will be brought back to school.

By federal public health order, all students and staff are required to wear masks on school buses at this time. Please be sure to cover all health and safety protocols with the parent or caregiver including the wearing of face masks the entire time the student is riding on the van or bus. Parents and guardians are expected to provide age-appropriate supervision for their student(s) at the bus stop. Students waiting for, transported on, or leaving the school bus, are expected to conduct themselves in accordance with proper rules of conduct.

Please review the following information and contact the Transportation Office if you have any questions.

- Masks must be worn the entire time the student is riding on the bus
- Bus windows will be open
- There is no eating or drinking allowed on school buses

Who to contact...

- If the bus or van is late or didn't show up: the transportation company
- If your child missed the bus: your child's school
- To file a complaint about the buses: your child's School Principal
- To request a change to a bus stop: your child's School Principal
- If your child's transportation needs have changed: your child's School Principal
- With questions about out of district transportation: the Special Education Department
- With questions about private school or Minuteman transportation: the Transportation Office

If you have any questions, please refer to [the Transportation Frequently Asked Questions](#).

Have a wonderful 2021-2022!

Según la política del Comité Escolar de Waltham, el transporte en autobús escolar se proporcionará a los estudiantes de la siguiente manera:

- K - 8 Grado: Estudiantes que viven a más de una milla y media de la escuela.
- 9 - 12 Grado: Estudiantes que viven a más de dos millas de la escuela.

¡Bienvenidos al Año Escolar 2021-2022!

Las paradas de autobuses escolares se basan en la seguridad y las rutas se crean para lograr la máxima eficiencia. Las rutas pueden cambiar según la inscripción y la elegibilidad de los estudiantes, ya que las inscripciones varían cada año escolar. Verifique con atención, ya que algunas paradas de autobús previamente autorizadas se han cambiado o eliminado de las rutas. Tome en cuenta que todos los estudiantes de Kinder, primer y segundo grado deben estar acompañados por un adulto a la hora de dejarlos y recoger de la parada del autobús escolar. Si el conductor no ve a un adulto en la parada del autobús a la hora de dejar a los niños después de clases, el estudiante será llevado de regreso a la escuela.

Por orden federal de salud pública, en estos momentos, todos los estudiantes y el personal deben usar máscaras en los autobuses escolares. Por favor asegúrese de cubrir todos los protocolos de salud y seguridad con el padre o cuidador, incluido el uso de máscaras faciales durante todo el tiempo que el estudiante esté viajando en la camioneta o autobús. Se espera que los padres y tutores proporcionen supervisión apropiada para la edad de sus estudiantes en la parada del autobús. Se espera que los estudiantes que esperan, transporte o bajan del autobús escolar se conduzcan de acuerdo con las reglas de conducta adecuadas.

Revise la siguiente información y comuníquese con la Oficina de Transporte si tiene alguna pregunta.

- Se debe usar máscaras todo el tiempo que el estudiante esté viajando en el autobús.
- Las ventanas del autobús estarán abiertas
- No se permite comer ni beber en los autobuses escolares

A quién contactar...

- Si el autobús o la furgoneta llega tarde o no se presentó: a la empresa de transporte
- Si su hijo perdió el autobús: a la escuela de su hijo
- Para presentar una queja sobre los autobuses: a el director de la escuela de su hijo
- Para solicitar un cambio a una parada de autobús: a el director de la escuela de su hijo
- Si las necesidades de transporte de su hijo han cambiado: a el director de la escuela de su hijo
- Con preguntas sobre el transporte fuera del distrito: a el Departamento de Educación Especial
- Con preguntas sobre la escuela privada o el transporte para Minuteman: a la Oficina de Transporte

Si tiene alguna pregunta, [consulte las Preguntas frecuentes sobre transporte](#).
