If your child attends the Whittemore, Northeast, or Dual Language School, he or she is eligible for breakfast and lunch at NO charge through the Community Eligibility Program (CEP). CEP provides meals at no charge to ALL students in these schools, so no application is necessary. We look forward to welcoming your students into our cafeterias this fall!

**WHY IS THIS IMPORTANT?**

Part of what makes a great school culture is when everyone is sharing the same meal together. When our students are eating the same meal together, our cafeterias become a place to try new foods, make healthy choices, and fuel up for learning and play.

Participating in school breakfast and lunch helps your school and community. Our schools receive more federal reimbursements when more students participate in school breakfast and lunch. This gives us the opportunity to purchase more fresh & nutritious foods, while securing the financial stability of our program.

Participating in school breakfast and lunch helps your family. Participating in school breakfast and lunch helps provide nutritious food for your children at school so they can concentrate better and learn more while also saving valuable time and money at home.

**WHAT’S FOR LUNCH?**
